3. Site Plan Review
  - Brightview project on Wyckoff and Rt. 36 hearing took place. Engineer and Traffic expert testified.
  - Ken noted they are using residential setback requirements. Avoids having to apply to Zoning for variances, which make it a bigger deal.

5. Jasmine suggested EEC be assigned a Borough email address for direct communication.

  - increased buffer zones
  - lighting
  - idling
  - representative from EEC to PB

7. Steve raised concerns about DCH regarding test drives through neighborhood. Would like to prevent that intrusion. Jasmine will talk to Traffic Advisory Committee.
