1. Meeting started at 7 p.m.
2. Roll call - John Batinsey excused for illness. Laura Bagwell and Jeff King attended.
3. Balloon/Aerial Luminaires Ordinance discussed. Laura Bagwell read proposed ordinance. Purpose:
 - Protect wildlife
 - Public nuisance
 - Metallic causes short circuits on electric lines
 Sara MOVED TO RECOMMEND ORDINANCE AS WRITTEN TO COUNCIL 2nd Ken. Motion carried.
4. Discussed ordinance regarding plastics. Talk to businesses, research for next meeting.
5. Jasmine explained proposal to change wooded portion of 80 Acre Park to passive. Consensus of support.
6. Ed reported on FMERA. He said the Eatontown Environmental Commission has one representative out of six sitting on FMERA's Environmental Staff Advisory Committee. Eatontown will not have a majority vote concerning decisions about what happens in Eatontown.
7. Ed reported the site of the original dry cleaners on post meets criteria to be labeled a Superfund site if it was located off-post. Ken suggested a tour. Ed said T&M is not up to speed, and it would be prudent to have EEC representative involved with the due diligence investigation.
8. Discussed lack of representation by Zoning Board.
9. Steve suggested we look for State money for Open Space purchase.
10. Discussed having paid secretary.
11. Suggestion to have Ad Hoc committee for Wampum Park and open spaces. Jasmine suggested

- meeting with BA.
12. Ken MOVED TO ADJOURN, Steve seconded. Approved. 8:15 p.m.
